Sulawesi, formerly known as the 'Celebes', lies in the heart of the Indonesian Archipelago, where the Celebes 'Arabica' coffee beans are cultivated. Grown and harvested in the mountain region of Sulawesi, the Celebes coffee beans are well known for their rich-flavored and fresh natural aroma.

People enjoy the Celebes coffee for its full-bodied texture, low acidity and sweet-chocolate-roast taste. These flavors are a result of the Coffesso refined 'dry' processing, which enhances the authenticity of the Celebes coffee beans to its fullness.

Indulge yourself in this delightful Coffesso Celebes coffee and embark on a beautiful journey to the heart of the Indonesian Archipelago. Its authentic sweet rich flavored texture will satisfy and leave you with a desire for more.
